## **NEWS RELEASE**

### **AVAILABILITY OF MOV LONG LIFE & EXTRA**

### **New Distribution and Sales Agent**

[www.MOVLongLife.com](http://www.MOVLongLife.com)

Eco Fluid Center Ltd. has established **Canoil Canada Ltd** as our new exclusive agent for MOV Long Life as of **January 1, 2014**. Technical questions will still be handled as before by Eco Fluid Center Ltd.

Canoil brings over one hundred and thirty five (135) years of lubrication experience. It has both a North American and European presence. They provide custom blending and specialty packaging and provide numerous speciality greases and lubricants and chemicals. The Canoil facility is located in Mississauga, Ontario which is 90 minutes away from Buffalo, New York and it is just west of Toronto. It is 35 minutes away from the Toronto Pearson International airport. Canoil Canada Ltd has been established since 1984 and has provided finished lubricant products globally including Asia.

They are a registered ISO9001-2008 company and are also committed to the environment by having certified credentials for ISO 14001.

Canoil provides rust preventative products for industrial and automotive industry, specialty refrigeration oils, specialized chain lubricants, and automotive aftermarket products such as engine cleaners. Plus biodegradable and/or low toxicity greases for hydroelectric power plants, CCW and SW systems as well as a range of calcium sulphonate specialty greases.
